Buyer Intro — How I work with buyers in EPA [\[CREATE\]](#)

HeyGen or self-record · used in: New Leads D1/D4 · Buyer D3

“Hey, it's Graeham. If you're starting to look for a place around East Palo Alto, here's the short version of how I work. We figure out what you actually want, I watch everything that comes up so you don't have to, and when the right one shows up we jump on it. I'll explain everything as we go, so you're never guessing. No pressure, no spam. Whenever you want to start, my calendar's open.”

Seller Intro — How I work with sellers in EPA [\[CREATE\]](#)

HeyGen or self-record · used in: New Leads D4 · Seller intro

“Hey, it's Graeham. If selling's on your mind around East Palo Alto, here's how I'd help. We start with what your home is honestly worth right now, then I put together a plan to get you the best price and handle the work of getting it sold. You'll always know what's happening. Whenever you want to talk it through, just grab a time.”

How I sell homes for top dollar [\[CREATE\]](#)

HeyGen or self-record · used in: Seller D5

“Hey, it's Graeham. Quick thought on getting the most for your home. Honestly it's not complicated: price it right, make it look great before it goes live, and put it in front of the buyers who'll actually pay for it. That's what gets people competing, and competing is what pushes the price up. If you want to see what that looks like for your place, grab a time on my calendar.”

Buyer Consultation Prep — what to expect [\[CREATE\]](#)

HeyGen or self-record · used in: Buyer (appt scheduled)

“Hey, it's Graeham, looking forward to our call. Nothing to prep, I promise. We'll just talk through what you're looking for, when you're hoping to move, and whatever questions you've got about how this all works. Come as you are. See you soon.”

HeyGen or self-record · used in: Seller (appt scheduled)

“Hey, it's Graeham, looking forward to sitting down. Here's all that happens: I'll walk you through what your home could sell for and what we'd do to get it ready. Bring any questions about timing or price, or just bring yourself. See you soon.”

Inspection Process Explainer [\[CREATE\]](#)

HeyGen or self-record · used in: Buyer D14 (in escrow)

“Hey, it's Graeham. We're heading into inspections, so here's what actually happens so it doesn't stress you out. A pro looks the home over, we go through what they find together, and if something's worth raising with the seller, we do. It's a totally normal step and I'm with you the whole time. Any questions, just text me.”

Closing Day Explainer — what closing looks like [\[CREATE\]](#)

HeyGen or self-record · used in: Buyer / Seller (day before COE)

“Hey, it's Graeham. Closing's almost here, so here's what the day looks like. You sign, the money moves, and once it records, the place is yours. I'll tell you exactly when and where, and I'll be right there to keep it smooth. Almost home. Talk soon.”
